NexusNova Corporate Policy & Guidelines

Document Version: 4.2 | **Effective Date:** January 1, 2026

1. Company Overview & History

NexusNova Corp was founded on March 15, 2018, by Dr. Aris Thorne and Elena Rostova in Seattle, Washington. Originally starting as a small cloud-computing consultancy, the company pivoted in 2021 to specialize in predictive supply chain analytics. Today, NexusNova employs over 450 people across three global offices: Seattle (Headquarters), London, and Singapore.

Our mission is to streamline global commerce by providing transparent, AI-driven insights that reduce waste and optimize logistics. We value integrity, continuous learning, and cross-border collaboration.

2. Paid Time Off (PTO) Policy

NexusNova believes in maintaining a healthy work-life balance. We operate on a tiered Paid Time Off system based on an employee's tenure with the company. PTO accrues per pay period and encompasses both vacation and personal days.

- **Tier 1 (0 to 2 years of service):** 15 days of PTO annually.
- **Tier 2 (3 to 5 years of service):** 20 days of PTO annually.
- **Tier 3 (5+ years of service):** 25 days of PTO annually.

> **Rollover Policy:** Employees may roll over a maximum of 5 unused PTO days into the following calendar year. Any remaining days beyond this limit will be forfeited on December 31st.

Sick leave is tracked separately. Every employee is granted 10 days of paid sick leave per calendar year. Sick leave does not roll over and is not paid out upon termination of employment.

3. Remote Work & Flexible Scheduling

As a global company, NexusNova supports a hybrid and fully remote workforce. Employees designated as "Remote" or "Hybrid" are subject to the following guidelines:

3.1 Core Hours

To ensure adequate overlap for meetings and collaborative work, all employees must be online and available during our "Core Hours," which are defined as **10:00 AM to 3:00 PM Pacific Standard Time (PST)**, Monday through Thursday. Fridays are designated as "Flex Days" with no mandatory core hours, though employees are still expected to work their standard 8-hour shift.

3.2 Home Office Stipend

Full-time remote employees are eligible for an annual Home Office Stipend of **$500**. This stipend can be used for ergonomic chairs, monitors, standing desks, or internet upgrades. The stipend resets every year on the employee's work anniversary. To claim this benefit, employees must submit their receipts through the HR-Portal under the "Benefits > Reimbursements" tab.

4. Data Security and Classification

Protecting client data is our highest priority. All employees must adhere to the data handling protocols based on the classification of the information:

- **Level 1 (Public):** Information available on our public website (e.g., marketing materials, press releases). No special handling required.
- **Level 2 (Internal):** Standard internal communications, employee directories, and general operational guidelines. Must remain behind the company firewall.
- **Level 3 (Confidential):** Client rosters, financial forecasts, and pre-release product roadmaps. Requires Two-Factor Authentication (2FA) to access and cannot be downloaded to unmanaged personal devices (BYOD).
- **Level 4 (Restricted):** Personally Identifiable Information (PII) of clients, API keys, and source code. Access is granted on a strict "least-privilege" basis and must be accessed only via the secured NexusNova Virtual Private Network (VPN).

5. Performance Review Cycle

NexusNova conducts bi-annual performance reviews to foster continuous growth and alignment with company objectives.

The Mid-Year Review occurs in June. This is a lightweight check-in focused on goal tracking and course correction. The Annual Review occurs in November, culminating in compensation adjustments and promotions which take effect on January 1st of the following year. Both reviews require a self-assessment, a peer-assessment (360-degree feedback), and a managerial evaluation.

6. Emergency & Department Contacts

For immediate assistance, please refer to the internal directory below. For general inquiries, always use the departmental ticketing system before reaching out directly to department heads.

Department	Contact Person	Email Address	Emergency Phone
Human Resources	Sarah Jenkins	s.jenkins@nexusnova.com	+1 (555) 019-8234
IT Helpdesk	Marcus Chen	it.support@nexusnova.com	+1 (555) 019-8299
Facilities (Seattle)	David O'Connor	facilities.sea@nexusnova.com	+1 (555) 019-8301
Legal & Compliance	Aisha Rahman	a.rahman@nexusnova.com	+1 (555) 019-8440

Note: The IT Helpdesk emergency phone number is monitored 24/7. All other numbers are monitored during standard business hours only.
